

CURRICULUM IMPLEMENTATION JOURNEY

MODERN LANGUAGES K-10 SYLLABUS

STEP 1 PREPARE

- create a faculty plan for familiarisation
- explore the [syllabus](#) together
- plan time for teachers to complete Accredited PD - [NESA's exploring the syllabus](#) (2.5 hours) and the DoE's '[From planning to practice in Years 7-10](#)' [microlearning](#) (1 hour)
- develop a shared understanding of the changes, including why these changes are happening, linking to [curriculum reform](#)

STEP 4 REVIEW

- schedule regular check-ins to gauge how teachers are adapting and progressing
- assess the effectiveness of the new curriculum and make necessary adjustments
- share successes (and challenges)
- acknowledge that change takes time, and be patient as teachers adapt to the new curriculum

STEP 2 EXPLORE

- plan time to engage with and discuss statewide staff meetings
 - [Interacting in the Modern Languages K-10 Syllabus](#) (1:08:24)
 - [Introduction to the syllabus and support](#) (40:07)
 - [Assessment and the Modern Languages K-10 Syllabus](#) (44:15)
 - [Ready, set, program!](#) (40:50).
- engage with the local [network](#)
- direct teachers to DoE [resources](#)

STEP 3 PLAN

- lead the review of existing programs
- provide designated time to collaboratively identify what should stay and what needs to be removed
- support teachers to adjust existing units or create new units
- enable teachers to collaboratively plan scope and sequences, assessment tasks (with marking guidelines) and units aligned to the new curriculum
