## HOW CAN YOU USE THE AEDC?

The AEDC can be used to:

- Understand children's development in the context of their community
- Identify and respond to community level factors impacting on children's learning
- Inform approaches to working in partnership with families and community
- Plan high quality programs that impact on children's wellbeing, development and learning
- Inform planning in-line with the NQS, EYLF, NSW Curriculum and AITSL Standards.
- Strengthen transition programs and continuity of learning between early education and care services, and schools
